★ Customer compliment:

I want to tell you Bob and Elayne were so appreciated and helpful. We are from USA but live in Mexico. Our cellular doesn't work in the US, and I wanted to make a 1-800 call, but no public phones available. They offered us to use their cellulers. So, after 20 hours of traveling, we arrived in San Antonio at the hotel that I had made reservations with, using their cellular. Thanks so much!
