Our thanks go out to him on behalf of the Metropolitan Airports Commission, CSAC and the entire MSP community for exhibiting to MSP customers the superior customer service MSP is known for.

Customer compliment:

A fantastic human being who has valued our needs when checking in our carry-ons and backpacks. He took time explaining some of the items that cannot be carried while traveling and did let us take them out to hand over to my family members. It was such a nice behavior we have experienced with David. We wish him best of luck in his job and his future. He made our day!
