★ Customer compliment:

On 6/25/15, I returned from CA through MSP Airport. I took a cab home from the airport. Unfortunately my bag with all my medicine was left in the cab. I called and talked to Philip Freeman and told him my problem. He said he would check with the cab service. I called the office again and talked to Kim she said my bag with all my medicine was found. Kim came to my house in Eagan at 12:30AM to return my medicine! I want to thank them again for the kindness that was extended to me. If the world had more people like them, we would all live in a better place.

Sincerely, Irene Look
