Customer compliment:

On October 14th we left a bag w/magazines and an iPad near Caribou on the "G" concourse. The gentleman at the Info desk in the same location went out of his way to help us. His shift ended at noon and he advised 2 ladies relieving him of our situation. 30 minutes before our 1:07 departure he called our cell and had our bag in Lost & Found. I ran from "F7" to the Info desk and one of the ladies ran (literally) to Lost & Found and back with our bags and a smile. Words cannot express our heartfelt thanks and gratitude to these 3 wonderful people for the outstanding service and kindnesses they gave to us. We are forever deeply indebted to them. We did make our flight on time.
