★ Customer compliment:

I'd like my personal thanks to go out to two individuals who were working in the office the morning of 9/16/13. Both Nancy and Elviar were so very helpful to me! The time they spent trying to find an address so a driver could get me to my destination was incredible! Between telephone calls and web searches, they were successful! Their time and commitment needs to be recognized. Both ladies were truly professional and so polite and so committed to helping me. Thank you very much!
