Customer compliment:

On the evening of July 8th, I had in in-flight medical emergency, requiring DL 2469 to divert to MSP. I just wanted to say thank you to those who responded and assisted the Allina Emergency medical services personnel on that night. Everyone was caring, compassionate, and professional. I felt I was in good hands from the moment we landed until I was taken to the ER. I didn't get the names of any of those who helped but I wanted to say THANK YOU to all who did. They are a credit to your department.
