Customer compliment:

My name is Patrick Pollard. Last Friday I was going to fly from Minneapolis to Hibbing around 10:00 am. I was in line and just about to get to the TSA agent and I had a dizzy spell and dropped to the floor. Your staff including TSA, Airport Managers, Airport Police and Fire were there to help me. I want to thank all of them. The public does not say much about the dedication and professionalism that these women and men perform every day. I am on the road to recovery.

Thank You, Patrick Pollard
