Customer compliment:

I want to thank the employees who were working on Christmas Day who took care of my daughter. You see my daughter was robbed of all her money, and phone. She went to Starbucks in Minn. Airport with an empty water bottle to ask them to fill with tap water. After they heard her story and that she had been stranded at LAX for over 24 hours and hadn't had anything to eat they all pitched in and got her a sandwich, drink and some goodies along with a tree ornament. My daughter was so touched by this and I am so thankful to hear someone took care of her in her time of need. After all the horrible things that happened to her on Christmas Eve your employees showed her there are good people in the world.

Thank you Starbucks - the McCaslin family in Maryland
